

UK **T**aekwondo Development Council

Safety Policy

UKTDC Safety Policy

The United Kingdom Taekwondo Development Council henceforth referred to as the UKTDC have developed and maintain this health and safety policy as an integral part of our business. We are committed to ensuring the health, safety and welfare of all students, instructors and volunteers associated with our activities. We also recognise the need for the health safety and welfare of other persons in our employ and all other persons who use our facilities or are affected by the way in which we conduct our undertaking. To this end we shall strive to: -

- Promote a safe training environment for all students
- Help promote and develop a positive safety culture
- Provide advice to UKTDC registered instructors on health and safety matters
- Provide safety related guidance to assist all UKTDC instructors develop/maintain best practice and comply with Statutory requirements and current/ applicable legislation
- Review and revise where necessary this policy at regular intervals

The UKTDC and the members of the Executive Committee understand and acknowledge that the implementation of the relevant health and safety statutory requirements and approved Codes of Practice will rest with the Club Instructors.

UKTDC Chairman
